

OPERATING IN PARTNERSHIP ACROSS DORSET SINCE 1983

OUR AIMS

We work in partnership with Dorset Police and other agencies to promote safer communities by:

- reducing opportunities for crime and anti-social behaviour
- providing security advice
- fostering a caring community spirit so that neighbours look out for each other
- alerting members to potential crime trends
- helping the community to feel safer
- gathering information on crimes or anti-social behaviour and sharing it with the police

Ways to find out more:

1. Contact your local Safer Neighbourhood team.
To find out which team covers your area and how to contact them, call 101 or visit www.dorset.police.uk
2. Contact your local watch representative

OPERATING IN PARTNERSHIP ACROSS DORSET SINCE 1983

HELP US TO HELP YOU

to protect your home and your neighbourhood

JOIN YOUR LOCAL WATCH GROUP

Experience shows that watch schemes contribute to reducing crime and anti-social behaviour in the community. A greater shared awareness of local problems and a better understanding of practical steps that can be taken to tackle them can be achieved. Please consider becoming an active member yourself.

If you do not have a watch scheme operating in your road or community, why not set one up with our help - the work involved is not onerous, but the benefits can be significant.
